DO YOU WANT YOUR CHILD TO:

- Get along with others?
- Make good decisions?
- Succeed academically?
- Enjoy learning?

What happens in preschool matters a lot! What you do at home is even more important. Our early childhood education faculty and programs will work with your family to help your child acquire essential skills, attitudes and habits to do well in elementary school and throughout life.

We have been part of the STM Preschool family for five years. The teachers have educated, embraced, and helped us raise our daughters into successful big kids ready to enter grade school. They have celebrated our successes, helped us through the trouble spots, and formed deep bonds with both us and our daughters. We cannot imagine a better preschool experience.

PRESCHOOL AND PRE-KINDERGARTEN Programs

SAINT THOMAS MORE CATHOLIC SCHOOL

Did you know? When your child...

COMPLETES AN ALPHABET PUZZLE:

They are learning study skills and gaining confidence in literary skills.

SORTS OBJECTS:

They are organizing and comparing information.

RETELLS EVENTS FROM THEIR DAY:

They are learning how to recall events and acquiring language and vocabulary.

We understand that choosing a preschool can be a difficult decision. Our child and family-centered preschool cares for you and your family in a manner that is personal. Early childhood education milestones and accomplishments are continually shared and celebrated. Your family is a part of our Saint Thomas More family!

How we teach is just as important as what we teach, which is why our classrooms and curriculum create an environment that embraces the joys and wonders of early childhood. Our flexible, family-oriented preschool offers a variety of programs for children 33 months and older, including full-day, part-day and pre-kindergarten options.

With years of experience and a tradition of excellence, Saint Thomas More Preschool will prepare your child academically, emotionally and socially for kindergarten and beyond.

The Preschool is everything that a parent would hope for. A love of learning blooms here. We are grateful to the teachers and staff who foster an environment for our children to learn and grow everyday. The extraordinary community truly sees and supports each child. It all starts in Preschool, and we're very thankful to be a part of it.

KATE D.

Where academic excellence, values-based education, and character development begin!
